(Financial information will be kept confidential at applicant's request)

*

Category Specific Questions.

8. **Emerging:** (for companies in business less than 10 years)

- What was your initial vision for starting the company? How has your vision matched up with reality?
- What financial support did you receive, either from investors, banks, financial awards, grants, contests, etc?
- What was the single largest obstacle you overcame in starting the company?
- What are you doing that is unique to ensure the company's future?

9. **Product Innovation & Design**

- Provide a detailed description of your innovation, design and the unique market/client that it serves.
- Detail the impact of the innovation (i.e. revenue growth, reduction in cost/time, increase in number of employees, profitability and/or share of market/global presence etc.)

10. **Green Manufacturing:**

- What goals do you have for reducing your company's carbon footprint?
- How much of your operation's waste stream is recycled?
- What initiatives have you undertaken in the last five years to improve the environmental sustainability of your operations?
- Do you make this criterion when evaluating potential suppliers?

11. **Lean Manufacturing:** Does your company practice lean management – and if yes, how has that improved operations, productivity and the bottom line?

12. **Supply Chain Management:** What changes have been made in the past two or three years to improve supply chain management? Include metrics you used to define and measure the changes.

13. **Exporting:** Provide details about how the company:

- Manages exporting
- Changes and opportunities that have increased domestic and/or international shipments over the past three years.

14. **Workforce Development, Training & Productivity:** Provide details of training programs for employees. What opportunities do employees have for career advancement through training?

15. **Safety Records and Performance:** Please provide:

- Policies in place to ensure safety
- How policies have led to improved performance and include statistics

16. Collaboration Between Manufacturers

How has your company collaborated with other manufacturers in the region to enhance products and customer service?

17. Upload any additional supporting documentation. (Financial information will be kept confidential at the applicants request)
